Flute 2006.

These last couple of terms Chantelle, Stephanie, Skye, Hannah and Heidi have been learning flute with Mr. Stephens who comes from Naracourte. We have been having our lessons on Thursdays as well as playing in assembly. Us girls started in term 2 and have been learning ever since. We have been having lots of fun doing flute and playing in our spare time. We would all love playing flute again next year along with playing other instruments.

We have been having our lessons on-line with the web-cam computer and TV screen. Mr. Stephens has come down 3 times to teach us face to face as well.

We have learnt:

- ♪ How to blow to make the right sounds.
- ♪ Long notes and breathing.
- ♪ How to play all the songs in the book.
- ♪ Different types of flutes need different care

By Chantelle

Clarinet 2006.

At the end of term 2 we got the option of playing clarinet. Kyle, James, Jarrod and Michelle were picked to play the instrument. Our teacher is Mr. Geoff Stephens. We have our lessons on Thursdays. We have to practice long notes every week and our songs at a maximum of 5 practices. We have our lessons on-line with a web-cam computer which runs itself through the T.V. A few months later Michelle was moved with the flute girls because she was too good.

We have learnt:

- ♪ How to put the reed on
- ♪ How to blow in to it
- ♪ How to take care of the instrument
- ♪ Which note is which

When we had the broadband launch we played our instruments in a concert.
