Grandparents and Special Friends Day

Mo	Tue	We	Thu	Fr	Sa	Su
				1	2	3
4	5	6	7	8	9	
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	

WOW! What a fantastic day we had when over 60 grandparents, parents and pre-school aged children came to visit the JP and MP classes.

We shared lunch together with students playing host by serving their guests. There was a lovely selection of healthy food choices for our lunch that was enjoyed by all.

After lunch we all went outside to play and enjoy the beautiful weather. Many proud students took their guests on a school tour including the vegetable garden and playground.

Lots of old fashioned games like hopscotch, marbles, quoits, knucklebones and elastics were played and enjoyed by young and old alike. I now know we need some 'hard dirt' to play marbles on! Many recollections of school days of old were had.

After group and family photos we all returned inside to listen to the JP students give a talk about their favourite family activity. What brave, well-spoken and capable students they are to speak in front of such a large crowd. Well done to all.

This was followed by a baby photo guessing competition, games and activities in the classroom and students proudly showing their work to their visitors.

Many thanks to the grandparents and special friends who travelled to join us and to show support in this way. The students were very excited and had a wonderful day.

Jo McKenzie
JP Teacher
