## MOBILE PHONES –STUDENT USE

### Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, mobile/smart phones, smartwatches, tablets or laptops. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

### Personal mobile phone use for primary school students

The Department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The Department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

In accordance with the Department's Mobile Phone Policy issued by the Minister for Education, personal mobile devices must not be used at Coonalpyn Primary School during school hours, including lunchtime

### Storage of personal devices

Mobile devices owned by students at Coonalpyn Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Coonalpyn Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, Coonalpyn Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Coonalpyn Primary School students are required to hand their phones into the school administration office to be placed in a secure location.

### If the student does not comply

Students who use their personal mobile phones inappropriately at Coonalpyn Primary School may be issued with consequences and parents notified. If a mobile phone is confiscated it will be securely stored in the office until the end of the day and the parents will be notified. If misuse is of a serious nature, consequences can include suspension.

At Coonalpyn Primary School inappropriate use of mobile phones is any use during school hours, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
- to capture video or images in the school toilets, changing rooms, swimming pools and gyms
- during exams and assessments
